Presents: Building That Shining City

Updated: January 2014 - Next Update: September 2014

Summary:

Jesus said, "You are the light of the world. A city set on a hill that cannot be hidden." *Matthew 5:14*

Let us resolve tonight that young Americans will always find there is a city of hope in a country that is free. And let us resolve they will say of our day and our generation, we did keep the faith with our God, that we did act worthy of ourselves, that we did protect and pass on lovingly that shining city on a hill." *President Ronald W. Reagan, Election Eve Speech, Nov. 3, 1980*

The List Store donors – all – share President Ronald Reagan's dream of **Building that Shining City on a Hill**. Here is the list of lists from our master file. These Tea Party patriots give and give to conservative Republican candidates and conservative grassroots lobbying campaigns. Let the building begin..
